

FOREWORD

The author's conclusions in this study are drawn from his unshakeable belief in the infallibility of God's word – that God says what He means, and means what He says in scripture.

It is not expected that everyone who reads this study will agree with its teachings completely. Sincere Christians disagree on many aspects of scripture and it is quite likely that this study will also be the subject of some disagreement. In that case let us agree to disagree in love. The author will not engage in any argument over its teachings.

Readers are simply asked to diligently study the scriptures pertaining to the teachings, and allow them to challenge any pre-conceived ideas they hold to. It could be that they may have to alter their theology to suit the scriptures.

May God use this study for His glory and richly bless His word to all whose hearts are open to its truth.
